

We are looking for an experienced, enthusiastic and decisive sous chef, with the ambition to grow into the position of head chef, who is eager to develop our kitchen together further, together with our kitchen crew.

PROFILE

You are responsible for the (pre) preparation of dishes. Taste, color and presentation are part of your second nature. You are stress resistant, work efficiently, and want to be involved in the menu design. You also ensure that regulations concerning safety, working conditions and HACCP are carefully followed. You're able to work independently and you are a team player who shares ideas and experience with colleagues. You are flexible to support your team where needed.

JOB DESCRIPTION

- Versatile and surprisingly delicious cooking.
- Planning daily schedules and ordering food and other stock supplements from regular suppliers shelf life and hygiene.
- Cleaning the working environment, kitchen equipment and machines. We work according to the HACCP standards and consider this of great importance
- We like to coach you to develop your cooking technical skills as well as your organizational skills. This can be done by attending courses at our expense and through on-the-job training.
- Taking over the duties of the head chef in their absence.

In addition, the following profile characteristics apply:

- Relevant experience in leadership roles in the kitchen. BBL or BOL Chef nv3 training or demonstrable equivalent experience
- Ambition to advance to head chef in the foreseeable future
- Affinity for arts and culture and Podium Mozaïek communities
- Relevant professional experience, at least 3 years as an independent chef
- Preferably residing in Amsterdam or the surrounding area
- References available

Working conditions

According to the Horeca CAO+, based on 38 hours per week. The appointment is for 1/2 year, with the possibility of extension.
