**LANTER & FANTER**

*Do you know Lanter and Fanter already? The cute House mice of Podium Mosaic?*

*On Lanter & Fanter days small and large children can enjoy a stage play and then join in with super fun workshops: crafts, music, drumming, modelling clay, theatre plays or photography; the performances give great inspiration, so there is always plenty to do on Lanter & Fanterdays in Podium Mosaic!*

*Look at the Lanter & Fanter calendar for the program.*

Ask for our coloring pages for the children.
