### MORE ABOUT TURKISH BREAKFAST

While much of the rest of the world regards breakfast as a routine necessity, kahvaltı is a gathering in Turkey that brings friends and family together. Literally translated "for the coffee", kahvaltı is all about sharing and connecting. As one of the first restaurants, we have introduced Kahvaltı to the people of Amsterdam. Our manager often travels to Istanbul to follow the latest and tastiest dishes to bring them here to you in Podium Mozaiek.

*Enjoy sharing your breakfast!*
