HOUSE OF HOSPITALITY

Podium Mozaïek wants to contribute to an open society in which everybody feels at home, through art and culture.

We do this on stage, but also behind the stage. In cooperation with the ROC of Amsterdam and the City of Amsterdam, a hybrid learning / working environment has been created in Podium Mozaïek in which newcomers who have recently obtained a residence permit, can follow a training. You meet these students in the restaurant service, at events support and in the kitchen.

(V) = vegetarian. We take into account allergens on request.
We accept credit cards. With the Mozaïekpas 10% discount.
